

## FUNDRAISING COMMITTEE

---

Fundraising is a necessary part of rowing and enables our team to keep dues and fees low. The cost of maintaining boats and launches and using the facilities of the boathouse would not be possible without the fundraising we do as a team. The Parents Committee Chairs and Board try to run the rowing team as if it were a business. We budget team money carefully, and are always looking for fundraising opportunities.

\*Need clever ideas for fall and winter fundraisers
